- SML policies require that the exam be given on one day within the designated window.
- No students may enter to take the exam once anyone has left the room.
- No student may have more than 60 minutes.
- The longest possible time block for the administration of the exam is two hours in length.
- Exams are to be collected following administration of the exam and may not be returned to the students until after March 8, 2010.
- **Only students who have yet to earn a two-year college or higher degree are eligible to compete.**

I certify that AMATYC Student Mathematics League policies were followed in my college's administration of this exam.
